Term 2 Week 9

Greetings!

Sunday marked the beginning of Refugee Week. The theme this year is; 'With courage let us all combine'. These words come from Advance Australia Fair - our national anthem. The extract below is from the Refugee Week Kit and focuses on the need for courage:

It takes courage to be a refugee: As people who have faced persecution because of who they are (their race, nationality or membership of a persecuted group) or what they believe (their religion or political opinion), refugees need courage:

- ◇ The courage not to deny identity or beliefs in the face of persecution.
- ◇ The courage to leave all that is familiar and step into the unknown in search of peace.
- ◇ The courage to keep going in the face of devastating loss, difficulty and despair.
- ◇ The courage to begin again, to work hard and to maintain hope in an unfamiliar land.

Fr. Greg has written about this in the Parish Bulletin. He reminds us of the need to be courageous and to speak up for refugees. Mr Whitby, the Executive Director of Catholic Schools in the Diocese of Parramatta has also spoken of the need to be courageous and to speak up for the children in detention. I encourage you to discuss the plight of refugees with your children and share with them that Jesus, Mary and Joseph (the patrons of our school) were themselves refugees as they fled Israel in order to keep Jesus safe from King Herod.

Last week, Christina and Maison (Yr. 6) participated in a National Program entitled Principal for a Day. The day is designed to give students a view of school from the position of principal.

Fresh Eyes Survey

Thank you to those parents who have returned their survey. I will collate the responses and give you a summary next term. It would be helpful if all the surveys were returned this week.

Morning Drop off and Afternoon Dismissal

I am attaching a note about these important safety issues. Your help would be appreciated.

Thank you

- ◇ To Mrs Preston and helpers for the wonderful Athletics Carnival last week.
- ◇ To the kinder teachers and helpers for the Sacred Heart Day Mass last Friday.
- ◇ To the Year 1 teachers and students for their assembly on Friday.

Best wishes

John Spradbrow

The Learning Corner

Numeracy in Year 2

Year 2 learning about shapes.

Mrs. Cathy Vogt & Mrs Pat Wicks

Literacy in Year 4

In Year Four we have been focusing on persuasive language. Our topic is centred around our integrated unit *Under the Big Top*. In this unit we have been investigating the question: *Should animals be kept in cages?*

To begin this investigation, we viewed a range of texts on this topic, including books, poems and news reports, and discussed the language used.

We then used pair and small group modified debates to build our arguments and explore the

language we could use to convince our audience.

We also investigated what it would feel like to be kept in a cage which helped us add emotion to our arguments.

The children had a great day and there were lots of conversations about how they performed and what ribbons were won. Well done to Green house, overall winners of the day. Children progressing through to Zone will be notified shortly.

Holy Family Value of Trust

This week is Refugee Week - a great week for us to focus on our Holy Family value of Trust.

Our Holy Family, Jesus, Mary, and Joseph, teaches us ***Trust in God and the importance of trusting each other.***

Mary, Joseph and Jesus faced many challenges in their life as family; right from the beginning. For example, in Mt 2:13-15 Jesus' life is in danger from Herod. Upon hearing the news from an angel, Joseph has to gather his wife and son and flee to Egypt. They were already away from their home; now they have to leave their native soil to go as strangers in a foreign land. Yet they go; as refugees, and they go with trust in God's word and with trust in each other.

The loving relationship among the three members of the Holy Family together show us the importance of trust in building and developing positive relationships, and in respecting the needs of others, especially that of refugees.

Let us work with this year's theme for Refugee Week and 'With courage let us all combine' and follow the example of our Holy Family Jesus, Mary And Joseph. Please take a few minutes to discuss trust with your child/ren. Remind them that trust involves being reliable and trustworthy, using good judgment and acting with fairness.

Also, during this Refugee Week let us acknowledge the Refugee Week theme and encourage each other to celebrate the best aspects of our nation's welcome of refugees, to frankly acknowledge unjust treatment of asylum seekers and refugees, and to commit to working together to ensure that we do better. In doing this, we can celebrate the positive contributions to Australian society made over the past 70 years by the 800,000 Australians who once were refugees, taking inspiration from the second verse of Advance Australia Fair 'With courage let us all combine'.

We must have faith and trust in God. Placing our trust in God means believing that God will provide whatever is needed in all aspects of our lives and the strength to face difficult times and situations in our lives.

So over this fortnight let us pray together asking for the strength to trust in God, and to build trusting relationships with our families and friends, and with all in our community.

Our Holy Family prayer for the Value of Trust

We pray that we may learn to follow the example of the Holy Family and work together to build positive relationships within our Holy Family community based on trust; by treating people the way we would like to be treated, by being honest and truthful, acting with fairness, caring for others, owning our mistakes, playing by the rules and making good choices in all aspects of our lives.

Lord, hear us.

Response: Lord, hear our prayer.
