*As a community, we acknowledge the Traditional Custodians of this land, the Darug People, and pay respects to Elders past and present, for they hold the memories, the traditions, the cultures and hopes of Aboriginal Australia.*

*We must always remember that under our Holy Family gardens, paths and playgrounds, this land is, was and always will be traditional Aboriginal land*

### Message from the Principal

Greetings!

As you may know I have been away for the last couple of weeks. I would like to thank Mrs. Figuero for her leadership of Holy Family during that time. It has been good to see everyone again.

Over the last couple of weeks we have celebrated some important feast days. On the 31st of July we celebrated the feast day of Saint Ignatius who was the founder of the Jesuits. Even Though it is a little late, I would like to wish a Happy Feast Day to our local Jesuit friends, Father Greg and Father Pat. Thank you for all that you do for our school and parish communities. Last Saturday we celebrated the feast day of Mary MacKillop the founder of the Josephite nuns. Happy feast day to our favourite Josephite nun, Sister Katherine. Thank you for all that you do for our community.

Unfortunately we are still living in the shadow of Covid 19. I would like to thank you for your continued support with our protocols for the morning drop off and afternoon pick up. I would love to see parents and carers gathering in the school grounds again, however, it is unlikely to be the case this year. Could I ask please that you remember the 1.5 meter gap when you are waiting to go into the hall and out the gate please. Social distancing is still one of the best defences against Covid 19. We are maintaining the extra cleaning procedures that we have in place.

At this stage we are not participating in any excursions away from school and all inter school sporting and cultural events have been cancelled. Catholic Education Parramatta is following all NSW Government requirements. Please let me know if you have any questions or concerns about our procedures.

The staff are planning how we can offer Parent Teacher Interviews given the restrictions with visitors onsite. At the moment we are exploring a number of options including Zoom meetings and phone calls. We will update you on the processes in the next week or so. We feel that it is important to keep you informed and part of your child's learning as much as is possible in the current circumstances.

Thank you parents for all that you do to support us.

Best wishes,

*John Spradbrow*

Should you have any questions regarding the enrolment please contact Monika Cunningham on 8869 7200.

## Tell Them From Me Survey For Parents

In the coming weeks we will be inviting students, teachers and parents to provide feedback on their experience of our school using an online survey. The surveys are an important part of our whole school evaluation and planning process.

We would like to invite you to complete the *Tell Them From Me (TTFM) Partners in Learning* survey. As we value the role of parents and carers within our school community we would greatly appreciate your feedback. The information you provide will be used to maintain our commitment to working together in partnership to further improve student learning and wellbeing at **Holy Family Primary Emerton**.

The survey is anonymous and will take approximately 20 minutes to complete. You are able to access the parent survey on your computer or mobile device by using the URL below:

### **Support for Families in Building Mathematical Understanding in their Children**

Recently we have been informed of a helpful website that will support families to develop mathematical understanding for their young children. This has been a joint effort between Monash University, the Victorian Department of Education and Training and Catholic Education, Melbourne.

Findings from the research project tells us that there are many ways that families are engaging their children with mathematics, but that they also want early childhood education and care settings to do this more as well. The resources from this website form the beginning of how families can engage young children in learning about mathematics in everyday experiences.

The website is called [Numeracy@HOME](#). Exploring the 11 ways can support families and educators to enrich children's knowledge and confidence in understanding and using mathematics.

Some of the categories for exploring and learning include:

1. COMPARE AND MEASURE
2. EXPLORING SHAPES
3. WHERE IS IT?
4. EXPLORING PATTERNS
5. USING TIME WORDS
6. EXPLORING TIME

And activities look like this:

Take the time to explore the website for great ideas on how to help your child understand the mathematics in the world around them.

Kind Regards,

Mrs Christine Figuero  
**Assistant Principal**

## Fruit & Veg Month 2020

Our school will be participating in Fruit & Veg Month 2020.

The theme for this year's event is **'Planet Fruit & Veg!'**

We need to take better care of ourselves and the planet, so let's teach our kids to eat more fruit and vegetables, to choose local and in-season produce and not to waste fresh food. This year's Fruit & Veg Month is all about looking at fruit and vegetables through the lens of sustainability.

Fruit & Veg Month 2020 runs for the last four weeks of Term 3 – from Monday 31 August to Friday 25 September.

As part of Fruit & Veg Month, students will be involved in various classroom and school-based activities which encourage them to eat more fruit and vegetables. We will also be sending home resources to support this learning.

If you require more information on what activities our school is doing for Fruit & Veg Month, please contact the school or your child's teacher.

### NSW Premier's Reading Challenge 2020

We have some great news, in that, all children have finished the Challenge this year! We have 214 children validated to receive an award! All children, due to COVID 19 conditions, were able to access books and book readings online, whilst the school was in lockdown and teachers were able to continue promoting those books when school resumed. **Congratulations everyone!** Certificates from the Premier will arrive towards the end of Term 4. Again, stay tuned.

### Overdue Books

A number of overdue notices were sent out last week, with more to follow this week. Some of our students still have books out that they borrowed at the end of last year for the Christmas holidays! ## RE News

### When do I need faith in my life?

As an educator, I've had some pretty powerful questions in my time. As Year 5 & 6 begin to investigate this concept of 'Human Dignity', the teachers were posed with some very confronting questions from the students last week:

- When do I need faith in my life?
- If I'm not religious, do I need faith?
- What is faith?
- Is faith and hope one in the same?

Deep questions! Confronting questions! I think these questions are timeless and apply to all of us throughout our life's journey. When asked about these questions I was somewhat perplexed in how to answer - I needed time to think.

I suppose the first question is the most relevant - *'When do I need faith in my life?'*...

Each Sunday my family and I attend Mass, either physically or online at Emu Plains. As I sat last Sunday listening to the readings, the answer to *'When do I need faith in my life?'* was literally presented. Fr Paul began a reading from the Gospel of Matthew (14:22-33). The passage retells of a boat far out on the lake, which was carrying the disciples. As time went on a storm grew and the boat began to battle heavy seas and wind. In the twilight of the morning, Jesus presented himself on the shore and began walking across the water towards them. The disciples were scared and thought it was a ghost. Jesus called out 'It is I! Do not be afraid'. Jesus called Peter to come and join him. Peter got up and out of the boat and began to walk across the water to Jesus, ... "but as soon as he felt the force of the wind, he took fright and began to sink. 'Lord! Save me!' he cried. Jesus put out his hand at once and held him. 'Man of little faith,' he said 'why did you doubt?' And as they got into the boat the wind dropped."

Each of us in our lives will make decisions that we believe to be right and sets us on one path over another. However, life can sometimes throw curve balls and fill us with uncertainty, anxiety, doubt and maybe even a sinking feeling. Take for instance the situation we now face with COVID. We can hope for something better, but hope is usually tied to chance - it might happen, it might not. Faith is a little different. It is a deep knowing that it will be okay. Faith takes away all doubt, it stills our life. It grounds us. COVID will retreat and we will have normality restored over time, whatever that new reality brings.

Do you need to be religious to have faith? No, but sometimes in religion we find answers to these life-long questions.

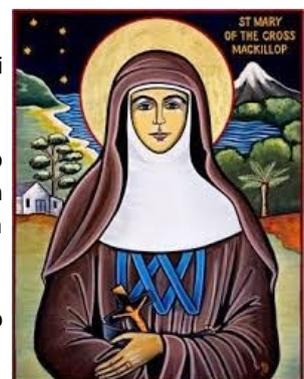

### St Mary of the Cross Mackillop Feast Day

Last Saturday marked the Feast Day of Australia's first saint - St Mary of the Cross Mackillop.

In celebrating this feast, on Friday 14th August we are asking students to come dressed in mufti (bright colours) and to have crazy hair! We are asking for a gold coin donation.

All monies raised will be donated to the Sisters of St Joseph (the order in which Mary Mackillop belonged). The Josephite sisters have a Mobile Kindergarten Program operating in Fiji, in which they are in need of more supplies, in which to provide educational opportunities to children in poor and remote communities.

**Please note** that we are asking students to have their hair done prior to coming into school. No coloured hairsprays are allowed on site.

Kind Regards,

Ben Oxley

## ***Year 1 Duckling News***

Year 1 had a surprise delivery on Monday morning. The giant left some eggs in our learning space. We waited patiently for the eggs to hatch and on Tuesday night we had three baby ducklings. Year 1 have been looking after our fluffy and yellow ducklings by giving them clean water and fresh food every day. We are currently writing an informative text about our ducklings using adjectives and verbs.
